Re: "May is Better Hearing & Speech Month" Grade 4 Poster Contest

Enclosed is information on the **Annual "May is Better Hearing & Speech Month" Grade 4 Poster Contest** being sponsored by the Canadian Hard of Hearing Association – Newfoundland & Labrador (CHHA-NL) and the Newfoundland & Labrador Association of Speech Language Pathologists and Audiologists (NLASLPA).

Please distribute this information to all Grade 4 Teachers in Newfoundland & Labrador. We continue to receive a large number of entries from schools all over the Province, and we hope to continue to increase awareness related to hearing and speech protection.

The deadline for this year's poster contest is Wednesday, May 31, 2017.

Thank you for your help with this important initiative.

Sincerely,

Amy Parsons
